The organizational structure is viewed as an activity management and is well positioned to enable efficient business enterprise. Setup organization covers a range of methods that enable troubleshooting and contribute the development of enterprises. The structure is a dynamic element of the organization makes it a unique set of all parts of the enterprise and incorporates the use of all available resources in the enterprise. Because of its importance in achieving the manager's goals and business, purpose of this paper is to investigate the effects of organizational structure on the effectiveness of managers in the company. The research results show that less formal organization structure has a greater impact on the effectiveness of managers. An effective manager skill in such organizational structure becomes a key success factor in business.

Keywords: Organizational Structure, Effectiveness of Managers, Managerial Skills.
