### FORMAT AND REFERENCING GUIDE

Submitted manuscripts have to be prepared according to the following guidelines  
(<http://jecoss.ibu.edu.ba/home/guide-for-authors/>)

Papers should be submitted in English as doc. file attachment, single-spaced (1.0), margins type normal, A4 paper size, 12 pt Times New Roman and for endnotes 10 pt Times New Roman, with pages in numbered sequence. Please leave one line empty before and after every section.

The paper should include the following sections: title, authors' data, abstract/key words, JEL classification, introduction, literature review, methodology, data analysis, discussion, results, conclusion, references and appendix (if applicable).

**Title of the Paper:** centered, 14 pt, bold;

**Headings:** justified, 12 pt, bold; Sub-headings: justified, 12 pt, italic; Capitalize Each Word;

**Name and Surname:** centered under the title (12 pt, bold); Name of organization or institution, Country (12 pt, normal), e-mail address (12 pt, italic);

**Abstract:** no more than 300 words (italic, 11 pt).

**Keywords:** Maximum of 5 words (italic, 11 pt)

**JEL Classification:** Maximum of 3 JEL codes (Italic, 11 pt). See the following webpage to choose the appropriate classification codes: <http://www.aeaweb.org/econlit/jelCodes.php>

**Figures and Tables:** (justified, 12 pt, normal) should be placed as close to their reference point in text as possible and they should be numbered consecutively as they appear in the text. Figure and table captions should always be positioned above it. The final sentence of a Table caption should end without a period.

Along with sending the paper, authors should attach the original document were the tables and figures are created. Avoid color images as the journal is printed in black and white.

**References:** References should be arranged first alphabetically and then further sorted chronologically if necessary.

References and citations should follow the referencing style used by the American Psychological Association.
