

günümüz Hakas Türkçesine aynı şekilde ulaşanlar çalışmamızda verilmiştir. Ayrıca bu fiillerden anlamsal yönden farklılaşanlar da belirtilmiştir. Daha sonra ise araştırmamıza konu olan üç eski Türk yazıtındaki fiil kök veya gövdelerinden Hakas Türkçesine bazı ses ve yapı değişiklikleriyle ulaşıp ulaşmadıkları incelenmiştir. Bu şekillerde tespit edilmiş farklar ses ve yapı açısından açıklanmıştır. Bu bölümde yine anlamsal yönden oluşmuş bir fark varsa açıklanmıştır.

## THE VIEW OF OLD TURKISH VERBS IN KHAKAS TURKISH

**Key words:** Old Turkish, Khakas Turkish, etymology, linguistics.

In this work, the old Turkish verbs having reached today's Khakas Turkish have been identified. In terms of phonology, morphology and meaning, the old Turkish verbs have been compared to today's Khakas Turkish according to the comparative method. Some etymological explanations have also been taken place when they are in need. In this study, the method we use can be summarized as follows: The verbs of three inscriptions in the Old Turkish Inscriptions have been determined by checking the fundamental works in the field. Some of the determined Turkish verbs and their roots have reached Khakas Turkish. Their current appearance, meanings and examples were listed. Thus, some differences occurred in some sound, structure and meaning between Old Turkish and Khakas Turkish have been identified. Some lexical developments have also been identified through diachronic comparative method. Some verbs having some differences in terms of transcription and meaning have been scanned in the fundamental and current etymological dictionaries. After giving the findings of scanning, the contemporary meanings of these verbs have been indicated. Some verbs which have reached contemporary Khakas Turkish in the same form in terms of phonemes and structure have also been listed in our work.
